A6

52 1/2 large reservoirs or containers out of metal with a pebbled surface texture

Coils

"like" condenser

As Bk reminds me of site we had long time ago.

1st container

54 1/2 honeycomb pattern. Reminds me of catalytic converters metal inside cause reactions & separation of compounds honeycomb cells shapes not round, but hexagonal.

54 1/2 something comes out of it is removed from round structures, is collected at one point

Impression of long silver tube taking substance away to a dirty, industrial sort of a place where it's packaged in round metal containers.

As Bk chemical warfare.

As Bk vodka

SVI

11

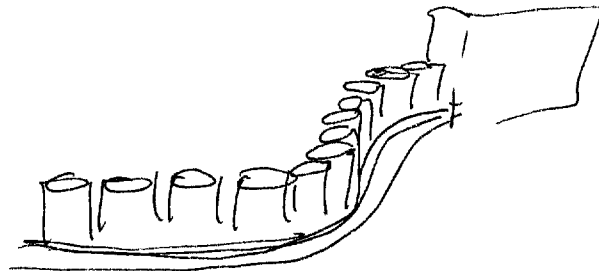

SVI
54 1/2 Impression of round metal contains on conveyor sort of belt in
new production facility.

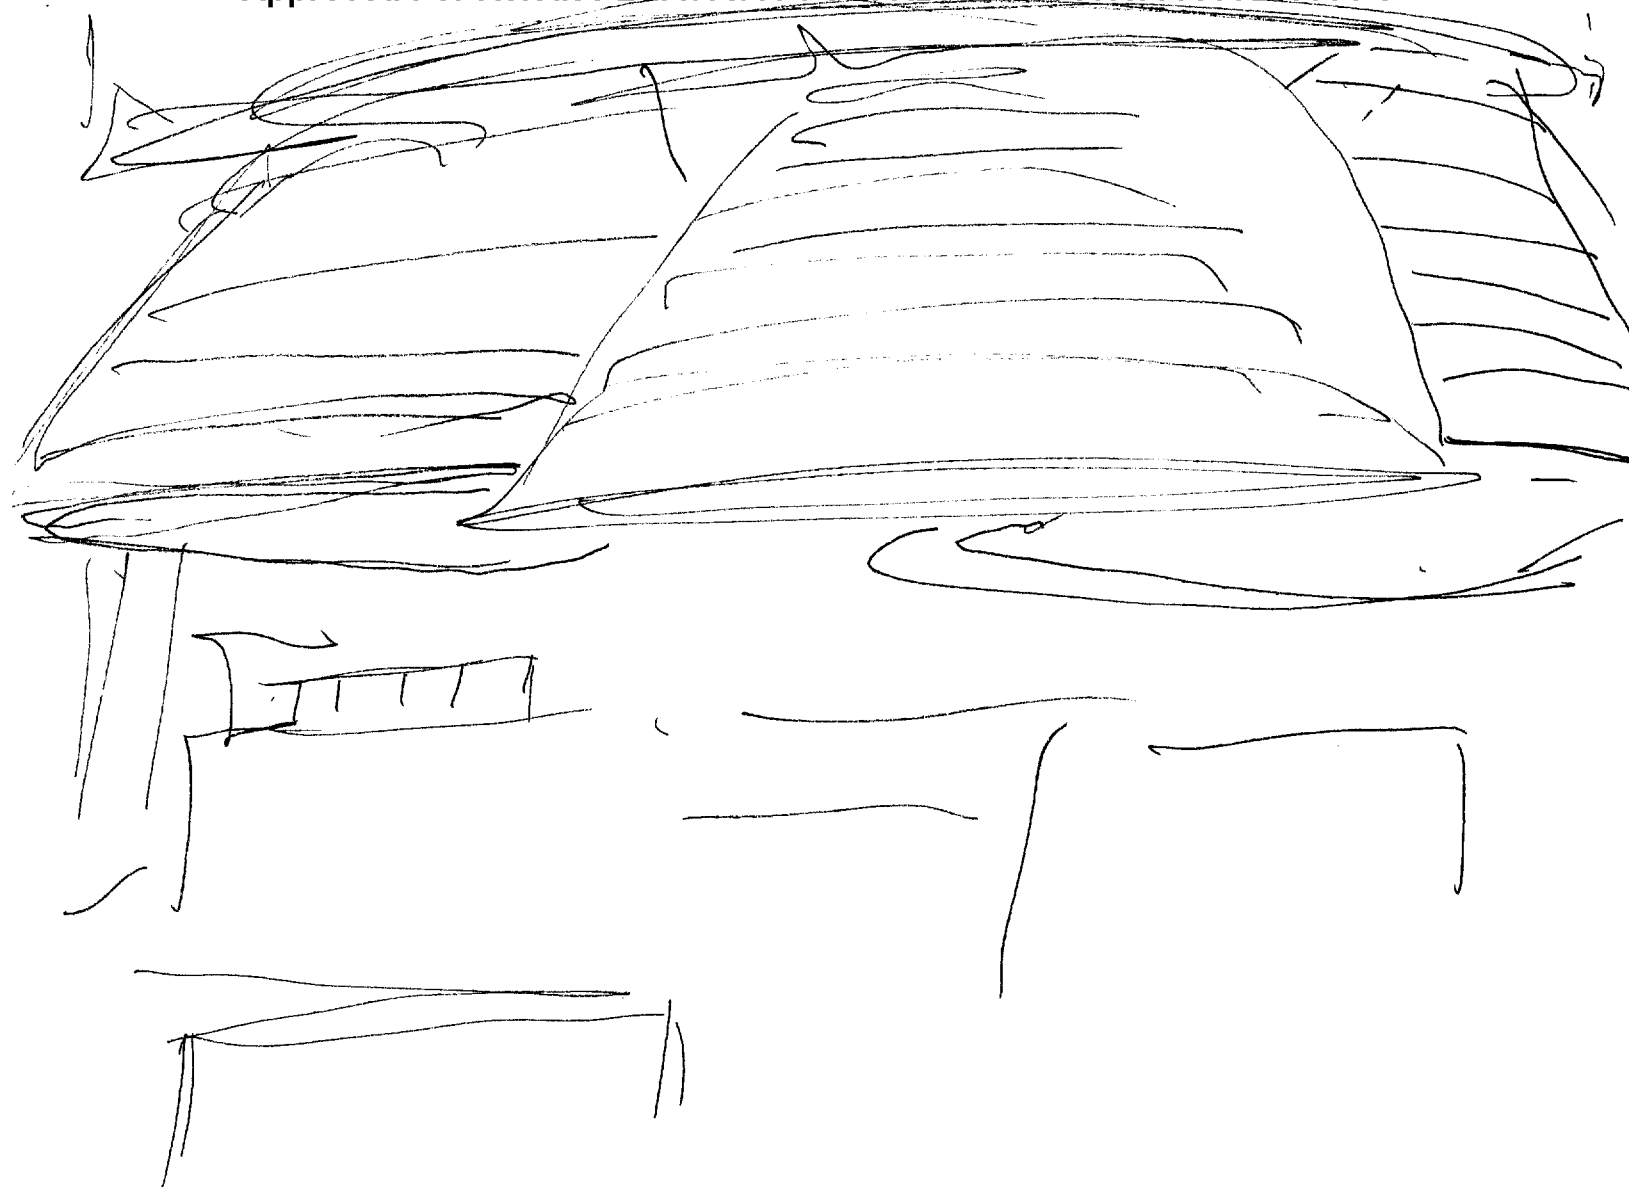

AZ BK
Someday
Waget
metal

"like" long
rocket
nozzle

SVI
54 1/2 Impression is location of long metal construction is not far from
original site. Impression of structure going up then
sudden feeling of dropping in pit of stomach.

Comes back along ways away from looking lot of water.
Seems to go north. hazy atmosphere. High up
before coming down. Curved earth. From dark side to
light side & vice versa.
